SWIRCA's primary funding source is federal and state grants, however they do not fully fund our many programs and services. **95% of the funds** we receive come in and go right back out again to subsidize services. **Fundraising and programmatic dollars are extremely important** because they aid our various departments where governmental funding falls short.

# EXPENSES

Total Expenses: \$7,296,576

## Only 1 percent

of philanthropic donations in the United States go to support senior issues and causes?
